GENERAL INFORMATION 2010-2011

Please refer to the **ISD Sports and Activities Parent Player Handbook** for detailed information regarding program policies and procedures.

Practice Times:

All NECIS, ISST, Sportverein and After School Activities practice times will be posted by the first week of school. Please check our bulletin boards, sport offices and website for details.

Sportverein/NECIS/ISST Teams:

Members of ISD sports teams which participate in both Sportverein and NECIS competitions (soccer, basketball, volleyball) are asked to commit to the entire season for both leagues. Playing in just the NECIS or Sportverein season alone will only be permitted under special circumstances.

Registration:

It is important that all students in our program are properly registered for their selected sport or activity. Failure to submit paperwork and make necessary payments on time could result in your child being ineligible for participation.

Payment Information:

NECIS/ASA Payments:

International School of Düsseldorf e.V.
Bank: Commerzbank Account #: 4362000
BLZ #: 30040000

Sportverein Payments: ISD Sportverein e.V.
Bank: Commerzbank Account #: 4312120
BLZ #: 30040000

*Please note for which department, sport and team your payment is intended (Sportverein U-12 Basketball, NECIS Varsity Soccer, ASA)

Coaches:

Coaches names and contact information will be available by the first practices.

Team Managers ("Moms"):

All teams are required to have a volunteer team manager who is responsible for organizing various things throughout a season, for example: drivers, uniforms, phone-list, special events, etc. Your volunteer help will be asked for and is greatly appreciated.

S.A.A.B.:

The Student-Athlete Advisory Board is a group of senior-school student representatives whose primary functions are to promote sport and activity within the school and act as a communication link between classmates and school personnel. In addition, the S.A.A.B. selects the winners of the annual Sportsmanship Award.

Adult Teams:

We offer co-ed adult volleyball, men's basketball and soccer. Please call our office to inquire.

Team Sizes:

Teams and groups will be limited in order to ensure quality participation (player-coach ratio) for all. Not all children will get a place in our teams and activity groups.

Volunteers:

The high quality with which we run our programs can only be maintained with the help of our parent volunteers. We kindly ask for your continued support in this area and look forward to your contribution.

Multiple-Sport Athletes:

Being a multiple-sport athlete at ISD requires significant commitment and excellent time-management. Students who choose to participate in multiple sports, either NECIS/ISST, Sportverein or a combination of both, should consider the expectations that will be placed upon them before making this decision, since full dedication will be required for each team/group in which the child participates.

Player Recognition:

Both the International School of Düsseldorf and the ISD Sportverein e.V. recognize their student/athletes' achievements at various times throughout the year. Honors include: Participation medals or certificates, Coaches Awards, Most-Improved and Most-Valuable Players and Middle-School/High-School Athletes of the Year.

Changes/Cancellations:

Any changes, cancellations and other important messages will be posted on our bulletin boards, gym/school doors, website, display case, etc. Please check these on a regular basis and note that some changes will come last-minute due to several unavoidable factors.

Uniforms/Warm-Up Suits:

The ISD Activities Program supplies uniforms to all Sportverein and NECIS team members. We also work closely with a local supplier to obtain additional sport equipment (warm-ups and other sports apparel) at highly reduces prices. All apparel has the same ISD logo and design in order to reflect our unity and spirit. For more information regarding selection and prices, please contact the ISD Lions Club.

Sportsmanship and Behavior:

Sportsmanship, mutual respect and supportive behavior are the cornerstones of our program's philosophy. This is expected not only of our student-athletes, but our parents, coaches, staff and entire ISD community as well. Please keep this in mind throughout the school year.
